

Hello PDF

Blob URL embed - no download

Page 2 — Navigation

Second page of the same sample.pdf (not a different file).

Left sidebar thumbnails should list 3 pages on phone/desktop.

Use prev/next or jump by page number in the toolbar.

Page 3 — Zoom & Fit

Third page: try zoom controls and fit-width.

Path unchanged: `content/notes/sample.pdf`

Embedding size grows only with this small text PDF.
